

National University of Medical Sciences, Islamabad.

Certificate in Healthcare Quality & Patient Safety (CHQPS)- Fall 2024

Admission to 1st Batch of CHQPS

1. Why Choose Us?

Globally, Healthcare Quality & Patient Safety are integral components of healthcare delivery systems. Focusing on quality & safety builds trust among patients and their families and improves the effectiveness of healthcare teams, resulting in a shared mental model – a prerequisite for the philosophy of patient safety. Competitively priced program designed to provide maximum value and return on investment.

Participants will develop an in-depth understanding of quality improvement methodologies, regulatory and accreditation standards, clinical governance, and leadership & management. A certificate in Healthcare Quality and Patient Safety can significantly enhance your career prospects with roles such as Manager Quality Improvement, Patient Safety Officer, Accreditation Specialist, Consultant, and Trainer.
