

# National University of Medical Sciences, Islamabad

## Undergraduate Admissions Spring Session 2026

The National University of Medical Sciences (NUMS), a prestigious Federal Public Sector University, stands at the forefront of advancing education, research, and healthcare in Pakistan. Driven by a visionary goal to enhance the quality of life across the nation, NUMS continually invests in initiatives that bridge academic excellence with real-world impact. The University offers a diverse range of programs across its state of the arts institutes, including King Hamad Institute of Nursing & Allied Medical Sciences (KHINAMS) Campus, which provides an enriching learning environment focused on critical thinking, clinical expertise, and professional ethics. Through these programs at our specialized institutes & KHINAMS, NUMS is preparing a new generation of compassionate and skilled professionals to lead in the field of Allied Health Sciences.
