

Certificate in Health Professions Education (CHPE)

NUMS has successfully completed six cohorts of the Certificate in Health Professions Education (CHPE), with the seventh batch currently in its final stages. This program has graduated over 1,644 multidisciplinary faculty members from various institutes across different geographic locations. The CHPE program is designed to provide creative and innovative instructional strategies, enabling students to take control of their learning while benefiting from the guidance of expert faculty. The program places a strong emphasis on developing key competencies and encourages the practical application of concepts through contextualized hands-on tasks and activities.
