

TABLE OF SPECIFICATION FOR NUMS ADMISSION TEST (2022)

BS Human Nutrition and Dietetics

Document: Table of Specification for the Aptitude Evaluation	Weightage: NUMS Aptitude Evaluation is 50%
Program: BS Human Nutrition and Dietetics	Duration: One hour (60 mins)

BS Human Nutrition and Dietetics Aptitude Evaluation will consist of five components given as follow:

Subjects	No of Questions
Biology	20
Chemistry	10
Physics	10
General Health & Science	5
English	5
Total	50

Details of Subject Components for NUMS Entry Test

No	Biology	No of Questions
1	Application of Biology	2
2	Cells and Tissues	3
3	Cell cycle	3
4	Enzymes	2
5	Homeostasis	2
6	Bioenergetics	3
7	Reproduction	2

8	Biotechnology	3
	Total	20

No	Physics	No of Questions
1	Work and Energy	2
2	Thermodynamics	2
3	Electrostatics	3
4	Nuclear Physics	3
	Total	10

No	Chemistry	No of Questions
1	Mole calculations and Avogadro's number	2
2	State of matter (gases, liquids, and solids)	3
3	Acids, Bases and Salt	3
4	Solutions and Colloids	2
	Total	10

No	General Health and Sciences	No of Questions
1	Diet and Nutrition	3
2	Health and Lifestyle	2
	Total	5

No	English	No of Questions
1	Grammar	2
2	Active and passive voice	1
3	Sentence Completion	1
4	Antonym and Synonym	1
	Total	5
